

Bursaries awarded to local schools

- Every year QAL donates two \$300 bursaries to each of the eight local high schools to two students who have excelled in Maths and Science
- Some winners include:
 - Karyn Patterson & Andrew Liaw (Tannum Sands State High School)
 - Sarah Butler (Mount Larcom)
 - Emelia Salonen & Sam Robinson (St Stephen Lutheran College)
 - Althea Bowden & Reuben Smith (Chanel College)

Scholarship announcement

- The 2011 QAL Scholarship was awarded to Denica Hope, a first year Bachelor of Accounting and Diploma of Professional Practice student
 - She will receive \$5 000 per annum to assist throughout her studies
- Damien Hensen received the \$1 000 Encouragement Award

QAL wins Training Award

- QAL received the Mining Industry Skill's Centre (MSIC) Best Training Practices and Processes – Company Award
- Last year QAL offered over 100 training courses, delivered by internal and external providers

Employee fundraising

- QAL held two major fundraising events in November supporting Breast Cancer and Prostate Cancer awareness:
 - Movember
 - employees grew moustaches and raised over \$10 000
 - Pink Aluminators
 - competed in the Sunshine Coast's 'Pink Triathlon', raising over \$3 000

Vacation students

- QAL has 17 university students working on site for three months as part of the Vacation Employment Program
- Students will be working in:
 - human resources, safety, health, information technology, community relations and engineering including chemical, civil, mechanical and electrical

Men's health awareness event

- “No Joke Blokes” Men’s Health sessions held on site in November
- The session provided valuable tips and information on prostate health, support and other issues specific to men
- Cricket Legend, Merv Hughes, and two medical professionals facilitated the sessions
- Over 200 employees, contractors and QAL retirees members attended

Community support

- Donated to 15 different non-profit groups and events this quarter
- Providing Gladstone Hockey Association with \$14k of electrical equipment for field upgrades
- Kin Kora School completed their garden beds thanks to \$2000 Reef Guardian Fund donation
