DATE: 25 November 2011

### **Community Notice**

---

QAL has rescheduled this week's planned steam blow through following the completion of a maintenance turnaround on one of its seven coal-fired boilers.

The planned blow through will now take place between tomorrow (Saturday, 26 November) and next Friday (2 December).

Intermittent elevated noise may be experienced in the neighbouring community between the hours of 7am and 5pm during this time. It is necessary for steam blow throughs to be performed to ensure the safe operation of the boiler as it is returned to service.

For further information, please contact the QAL Community Hotline on 1800 181 110.
