Package Boiler Delivery

Eagle Cranes and Rigging will be delivering a package boiler from Auckland Point Wharf to Queensland Alumina Limited (QAL) via Barney Point on Tuesday 11 January.

To ensure the safety of employees and residents a number of road closures and power outages will occur along the travel route.

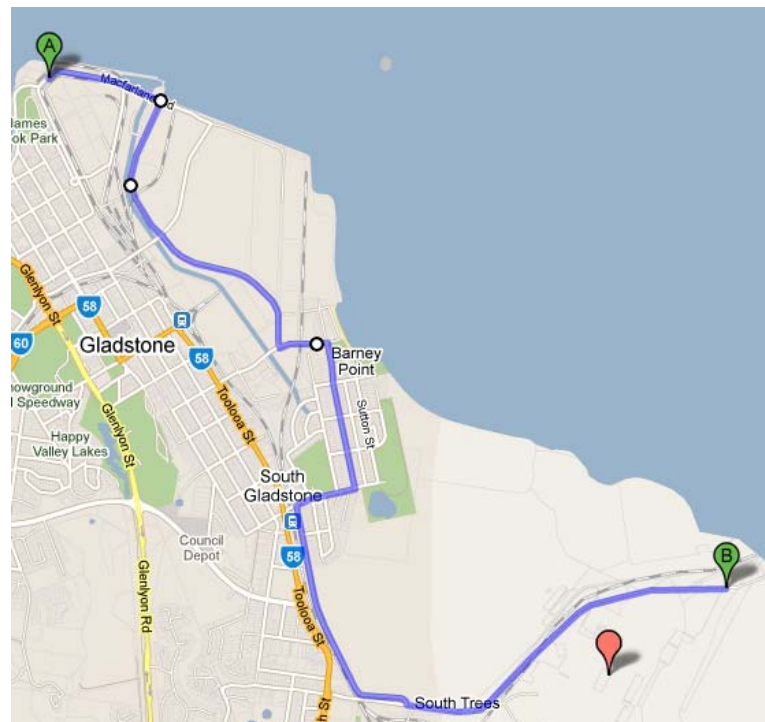

Ergon Energy has advised their customers affected by the outage. For more information contact 13 22 96.

If you have any questions or feedback regarding the delivery, please call the 24hr free call community feedback line on **1800 181 110** or email feedback@qal.com.au

A map detailing the anticipated delivery route is below.

About Queensland Alumina Limited:

Queensland Alumina Limited (QAL) commenced operation in March 1967 with an annual production rate of 600,000 tonnes of alumina. Today QAL is one of the world's largest alumina refineries, producing 3.95 million tonnes of the world's best smelter grade alumina per year. With an average workforce of 1050 employees, QAL is the region's largest employer and annually contributes approximately \$400 million directly to the local economy.
