

# QUEENSLAND ALUMINA LIMITED

## Superintendent – Clarification

### BAYER CIRCUIT OPERATIONS

We are seeking a results-orientated person to lead the Clarification Operations function within our Bayer Circuit Operation. This key leadership role is a vital part of QAL's core business and is responsible for ensuring the Clarification section operates as an integrated unit with world-class performance and production is maintained at optimum levels.

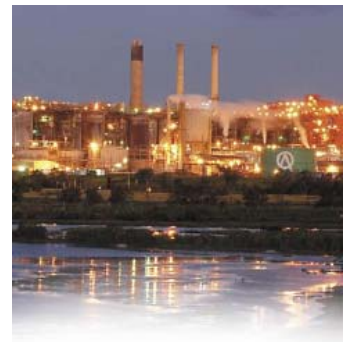

The successful applicant will be responsible for delivering plan outcomes and locking in improvement activities. With a focus on meeting safety, environment, quality and cost targets, you will manage people and systems to achieve the best possible outcomes.

#### **Skills required**

- Tertiary qualifications in Engineering preferred but not necessary
- Experience working within an operations environment in heavy industry.
- Proven track record of managing people and change processes
- Initiative and drive

#### **Applications**

Applications close **Sunday 1 August 2010**. Please forward applications directly to QAL at [recruitment@qal.com.au](mailto:recruitment@qal.com.au).
