

QUEENSLAND ALUMINA LIMITED

Vacation Employment Program

QAL's annual Vacation Employment Program offers a unique opportunity for students. Our program aims to give students specific project work that contributes to plant operations, benefiting QAL and each student's learning. On completion of your employment you will present your project and recommendations to our Management Team.

Students could potentially be employed in the following areas:

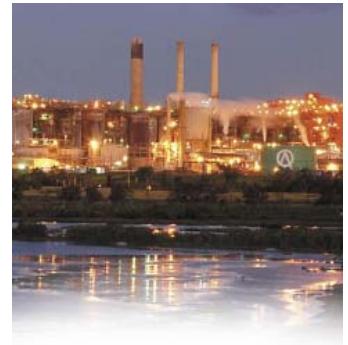

- Engineering (electrical, mechanical, civil and chemical)
- Science/Chemistry
- Environmental Science
- Occupational Health and Safety
- Community Relations
- Information Technology
- Human Resources/Training
- Supply
- Business/Accounting

Skills required

Applicants must be in their penultimate year of an undergraduate degree with above average results in their studies. Additionally they should be team-oriented, possess well developed communication skills, and demonstrate initiative, innovation and enthusiasm

Applications

Applications close **Friday 13 August 2010**. Please forward applications directly to QAL at recruitment@qal.com.au.
