

# QUEENSLAND ALUMINA LIMITED

## Laboratory Supervisor

TECHNICAL SERVICES – Gladstone, Qld

We have an opportunity for a Laboratory Supervisor to join our Laboratory Team within the Technical Services Department at QAL. This role is responsible for the safe and effective conduct of activities of the control Laboratory team. The role also focuses on immediate supervision of the laboratory to ensure that customer requirements are met and standards of operation maintained.

The successful applicant will also contribute to the development of strategies and systems to secure world-class performance within the control laboratory team.

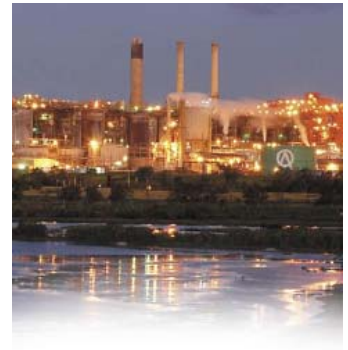

### **Skills required**

- Tertiary Qualifications in Chemistry.
- At least 5 years industrial laboratory experience essential, preferably including supervision.
- Highly developed communication, negotiation and interpersonal skills.
- Problem solving ability.

*Previous experience in heavy industrial laboratory would be an advantage*

### **Applications**

Applications close **Friday 19 March 2010**. Please forward applications directly to QAL at [recruitment@qal.com.au](mailto:recruitment@qal.com.au).
