Mechanical Fitter Trade

PUMP CREW – CENTRAL CONTROL ROOM – 9 DAY FORTNIGHT

We have an opportunity for a Mechanical Fitter to join our site-wide Pump Crew within the Bayer Circuit Operations to work a 9 Day Fortnight roster. The successful applicant will be responsible for maintenance and repairs of pump equipment and turbines including overhauls, installations and assembly change outs. As well as ensuring the reliability of pump equipment, you will conduct alignments using Optical Laser Alignment equipment.

Skills required

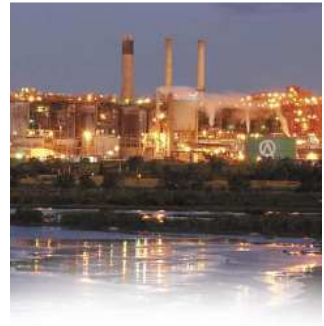

- Trade qualifications as Mechanical Fitter with post-trade experience in heavy industry
- Pump, turbine and gearbox maintenance experience preferred but not essential
- Self motivated with a focus on customer service and continuous improvement

Applications

Applications close **Friday 12 March 2010**. Please forward letter of application and resume to Axial as detailed below:
